ST JOHN'S COLLEGE JUNIOR COMMON ROOM: HILARY TERM 2017 BY-ELECTION
MANIFESTO BOOKLET
ETHNIC MINORITIES OFFICER

Mary Sadid

Hi! I'm Mary- a 2nd year HumSci.

Having been an ambassador for the Holocaust Education Trust, a Red Cross refugee peer befriender as well as secretary of the Afghanistan Society, I have engaged with a lot of cross-cultural and intersectional dialogue that I feel would enable me to be an effective ethnic minorities officer.

I'd work hard to represent the BME community at John's, and hope to facilitate discussion on issues that affect BME students at Oxford but are often overlooked.

I would:

- Revive/Update the SJC StudentsofColour Facebook group
- Organise events such as drinks, brunches and film screenings
- Keep it intersectional- collaborate with other liberation officers
- Work with the Access officer to address issues affecting BME outreach and admissions
- Raise awareness of resources for BME students such as the Peers of Colour scheme
- Be an approachable contact for BME Johnians to bring up concerns as well as ideas

Having spent a term as BME rep I feel like I'm pretty qualified at this point to run for the the officer role. Having gotten a taste for wokening the masses with the race workshops I am eager to take a more active role within the JCR. I promise to use the connections and experience I have built up with CRAE to make the BME community at St John's a more active presence in university wide events and arrangements. I promise I am actually black (you gotta check after the whole Rachel Dolezal fiasco). I promise even more bangin socials than last term. Thank you.
