## Christine Jiang

Hey everyone, my name is CJ. I'm a second-year History & Politics student and the current JCR Equality & Diversity Officer.

Over the past year I've gained a lot of useful experiences:

- Trained as Peer Supporter and SJC student ambassador
- Organised Equalities Week in Hilary
- Sat on the Equality Committee, producing college's yearly objectives
- Co-convening the Oxford IV, biggest debating competition in the UK

If I were elected as president, these are the areas I'd work on:

1. Alumni relations: Establish a regular alumni speaker programme
2. Media: Introduce the role of media rep to manage the SJC Instagram and Twitter
3. Catering: Inquire into takeaway hall and Sunday brunch provision
4. Equality: Continue campaigning for the flying of the rainbow flag in LGBTQ month

In all, I hope to make democracy at St John's organic and dynamic, and the college community progressive and inclusive

### Selin Millward

Hi all,

I'm a second year studying History and French and I'd like to be your JCR Vice President! Over my time here, I've been actively involved with the JCR as Charities Representative and now as Access & Admissions Officer. As I've enjoyed it so much and I have experience of how it all works, I'd like to take on more responsibility.

I really value how JCR positions give you the resources to make a positive change and how inter-connected this position is. The logistical and hands-on aspect of the role provides invaluable experience and being VP opens up involvement with a diverse range of projects, such as developing the Women's Network. I would also love to use the opportunity to choose a campaign to fundraise for charity.

Finally, I'd like to see if it's possible to crack even worse jokes than the Secretary in the weekly email....
