**Harry Sugden and Izzy Kent**

Hey, we are two first years who love to keep things fun. We have really enjoyed our first two terms of Entz Events and now we would love the chance to make the next few even better for everyone.

We are friendly, fun and enthusiastic. As Geography and French students we both feel able to use our ample spare time to commit ourselves fully to the cause of Entzzz!!

A few things...

- We have both been on the Entz committee for a term so have some experience of organising bop + more
- We have some great new ideas for bop themes e.g 'When I grow up I want to be \_\_', Noah's Ark, Under the sea (beware of sharks) + many, many more

As for non-bop we're eager to continue exploring new ways to keep you entertained, maybe a picnic, maybe a (paddling) pool party?
